

Eleventh Annual Cleveland Collegiate Regatta

March 23, 2013

There were 8 final races with the winner getting 1 trophy point. Due to excessive amounts of wooden debris, all races were changed to finals, and the course varied from 500m to 1000m. All races started somewhere near NS1 and ended before the Nautica Turn. The temperature was in the high 20s, clear skies, calm wind and negligible current.

CCR Cup Results:

Case Western University	6
Cleveland State University	2
John Carrol University	0
